

KOKAM CELL REQUIREMENT FORM

Please fill in shaded area

General Customer Information

Date		Contact Name	
Company Name		Job Title	
Company Location (Country / City)		Cell Phone	
Website		Telephone	
		E-mail	

Applications

Select appropriate applications (multiple choices applicable)

- Tram
 EV, PHEV, HEV
 Aviation
 UPS
 Marine
 Defense
 Industrial
 ESS
 Telecom
 Medical

A. General Description

Category	Please Provide All the Information regarding the project				
Project Name					
Description of project					
End User					
Target Pricing	<table border="1" style="width: 100%;"> <tr> <td style="width: 20%;">Sample order</td> <td></td> </tr> <tr> <td>Project order</td> <td></td> </tr> </table>	Sample order		Project order	
Sample order					
Project order					
NRE Budget (One Time)					
Required Certification / Standard					

B. Cell Characteristics

- | | | | |
|--|-----------|-------|----|
| <input type="checkbox"/> Rated Capacity | | Ah | |
| <input type="checkbox"/> Energy Density | | Wh/kg | |
| <input type="checkbox"/> Energy Density | | Wh/L | |
| <input type="checkbox"/> Weight | | g | |
| <input type="checkbox"/> Cell Dimension
[Maximum] | Width | | mm |
| | Length | | mm |
| | Thickness | | mm |
| <input type="checkbox"/> Voltage (NMC) | Lower | 2.7 | V |
| | Nominal | 3.7 | V |
| | Upper | 4.2 | V |

KOKAM CELL REQUIREMENT FORM

□ Current	Charge	Cont	<input type="text"/>	A
		Peak	<input type="text"/>	A
	Discharge	Cont	<input type="text"/>	A
		Peak	<input type="text"/>	A
□ Required # of Cycles	<input type="text"/>	@	<input type="text"/>	% DOD
□ Application's Definition of End of Life	<input type="text"/>			%

C. Environmental Characteristics

□ Charging Temperature	<input type="text"/>	°C
□ Discharging Temperature	<input type="text"/>	°C
□ Storage Temperature	<input type="text"/>	°C

D. Other Specification

□ Expected Maximum Mechanical Requirements	Dimension	<input type="text"/>	(m)	Length
		<input type="text"/>	(m)	Width
		<input type="text"/>	(m)	Height
	Weight	<input type="text"/>	(kg)	Weight
□ Any other operational considerations	<input type="text"/>			
□ Special environmental or safety considerations				

E. Attachments

Please provide separately or embed documents (If Possible)	
SLD (Single Line Diagram)	
Load Profile	
Software Interface Document	
Mechanical CAD model	

F. Shipping

Please Provide All the information regarding shipment			
Estimated Quantity of Order (EA)			
Order Type		Sample	Project
Desired Delivery Date (Y/M/D)			
Delivery Terms		EWX	
Estimated Annual Volume			
Year 2017 (EA)	<input type="text"/>	Year 2018 (EA)	<input type="text"/>
	<input type="text"/>		<input type="text"/>
Year 2019 (EA)	<input type="text"/>		<input type="text"/>
